Jan 5, 2026

KL just received a call from Adjuster providing his phone number +1 (919) 708-8484 he is scheduled to come out on Wednesday. He asked me after I performed my assessment to update him on what I see and what it looks like and then he needs that we might have from them in order to get this complete.

Jan 5, 2026

KL discussed with the Adjuster scope of work he'll be out Wednesday at 10 . He's gonna put together an estimate presented to us to ensure that we can do the work for what they're wanting to pay.

Jan 6, 2026

KL reached out to Miss Lynn to let her know that we'll be there tomorrow with the Adjuster and that we discussed the scope of work and he's writing an estimate for us to agree to get the work completed.

Jan 8, 2026

1/7 KL attended I just your walk went over and agreed upon scope. Adjuster will put together an estimate for a base for us to move forward. Planning on starting tomorrow by placing AFD and collecting deposit check.

Jan 8, 2026

1/8 KL spoke to Damien, a.k.a. Adjuster, regarding his estimate and all that stuff versus where we kind of see the value at and and he explains a good starting point and we will be able to adjust accordingly cause things he didn't possibly consider the AFD some of the content manipulation things of that nature, and so he thinks that we're good to go. Let's take care of the customer and we should be able to close this out pretty quickly.

Jan 8, 2026

1/8 KL arrived placed afd. Proceeded to clean cabinet doors above stove with chem sponges and 9d9. Went and met customer at work for deposit check.

Jan 9, 2026

Received deposit check#3377 in the amount of \$1000.00. It was mobile deposited to the AF account on 1/8/2026

Jan 9, 2026

1/9 KL continue to clean cabinets and heavily affected kitchen area.

Jan 12, 2026

1/12 KL proceeded to manipulate, pack, and clean contents. More contents to manipulate, pack, clean tomorrow.

Jan 12, 2026

Spoke to Miss Owen updated her on the progress and the process. She's extremely happy with us. She is unsure if the cabinets are going to be paintable as they should've been an enamel finishing their flat paint finish and so we'll be looking into options on getting that taken care of whether we're doing it or whether she's hiring somebody else.

Jan 13, 2026

1/13 KL continued to manipulate, pack, and clean contents. Cleaned shelves and walls. More cleaning of walls and cabinets remaining.

Jan 15, 2026

1/15 KL finalized the cleaning of the cabinets. Mrs. Owen advised cabinet quote to replace cabinet doors and paint came in at \$5,400. Asked if I could help advise with adjuster to get help covering. Will reach out to Mrs. Owen for COC and cos

Jan 5, 2026

KL just received a call from Adjuster providing his phone number +1 (919) 708-8484 he is scheduled to come out on Wednesday. He asked me after I performed my assessment to update him on what I see and what it looks like and then he needs that we might have from them in order to get this complete.

Jan 5, 2026

KL discussed with the Adjuster scope of work he'll be out Wednesday at 10 . He's gonna put together an estimate presented to us to ensure that we can do the work for what they're wanting to pay.

Jan 6, 2026

KL reached out to Miss Lynn to let her know that we'll be there tomorrow with the Adjuster and that we discussed the scope of work and he's writing an estimate for us to agree to get the work completed.

Jan 8, 2026

1/7 KL attended I just your walk went over and agreed upon scope. Adjuster will put together an estimate for a base for us to move forward. Planning on starting tomorrow by placing AFD and collecting deposit check.

Jan 8, 2026

1/8 KL spoke to Damien, a.k.a. Adjuster, regarding his estimate and all that stuff versus where we kind of see the value at and and he explains a good starting point and we will be able to adjust accordingly cause things he didn't possibly consider the AFD some of the content manipulation things of that nature, and so he thinks that we're good to go. Let's take care of the customer and we should be able to close this out pretty quickly.

Jan 8, 2026

1/8 KL arrived placed afd. Proceeded to clean cabinet doors above stove with chem sponges and 9d9. Went and met customer at work for deposit check.

Jan 9, 2026

Received deposit check#3377 in the amount of \$1000.00. It was mobile deposited to the AF account on 1/8/2026

Jan 9, 2026

1/9 KL continue to clean cabinets and heavily affected kitchen area.

Jan 12, 2026

1/12 KL proceeded to manipulate, pack, and clean contents. More contents to manipulate, pack, clean tomorrow.

Jan 12, 2026

Spoke to Miss Owen updated her on the progress and the process. She's extremely happy with us. She is unsure if the cabinets are going to be paintable as they should've been an enamel finishing their flat paint finish and so we'll be looking into options on getting that taken care of whether we're doing it or whether she's hiring somebody else.

Jan 13, 2026

1/13 KL continued to manipulate, pack, and clean contents. Cleaned shelves and walls. More cleaning of walls and cabinets remaining.

Jan 15, 2026

1/15 KL finalized the cleaning of the cabinets. Mrs. Owen advised cabinet quote to replace cabinet doors and paint came in at \$5,400. Asked if I could help advise with adjuster to get help covering. Will reach out to Mrs. Owen for COC and cos
